Subject: FW: Inspection Forms

John,

The ash handling transportation form may be covered by the site wide inspection form you created a while back for Kaleb and John to use. If not, then those activities can be rolled into that inspection form.

Subject: Inspection Forms

John,

I just spoke with Jeff. He said you were working towards an inspection form for Outfalls S107/S108 and an inspection form for the ash handling and transportation activities. Can you please e-mail those forms to us on Monday? Thx

Ian A. Whitlock, C.E.S.
